<p>Important: We're Continuing to Offer Your Health Insurance Plan. Please Read This Letter Carefully to Understand Any Changes to Your Plan for 2017.</p>

Dear Member:

Your [insurer name] health insurance coverage will soon be due for annual renewal. You have the option to renew your current plan or choose a new health insurance plan that will take effect January 1, 2017.

Please read the following information carefully to make sure you understand any changes in your health insurance plan or in what you will pay for 2017, and to decide whether you want to enroll in a different plan for 2017. If you take no action by December 15, 2016, you will be automatically re-enrolled in your current plan.

Based on the information we currently have on file, your new premium, which will take effect January 1, 2017, is \$[dollar amount] per month **without the tax credit**. You will pay this amount, minus your 2017 tax credit, for your premium each month. Please let us know if the information you previously provided to us has changed.

In 2016, you enrolled through Your Health Idaho. You qualified for financial assistance for help in paying your monthly premiums, and may have also qualified for help with out-of-pocket costs. [Our records show that you received a tax credit of \$[dollar amount] per month as of October 2016.] Your eligibility for financial assistance, and the amount of any tax credit, may be different for 2017.

You received, or will be receiving, a letter from the Department of Health and Welfare concerning your tax credit for 2017. If you do not receive the letter, or if you believe the information in the letter is not correct, please call 1-855-YH-IDAHO (1-855- 944-3246).

If you do not receive the letter and you do not call Your Health Idaho, you may not qualify for a tax credit or help with your out of pocket costs for 2017. If you receive the

letter, but the information is incorrect or outdated, the amount of assistance you receive may be incorrect. You must call to provide updated information so that the amount of your tax credit is correct.

Once you receive your tax credit eligibility letter from the Department of Health and Welfare, you should preview the plan that you will be automatically re-enrolled in for any changes. You can do this by accessing your account on Your Health Idaho at yourhealthidaho.org on or after November 1, 2016.

Selecting a new plan for 2017

You can choose a new health insurance plan for 2017 during the Open Enrollment period from November 1, 2016 until January 31, 2017. December 15, 2016 is the last date to enroll in a new plan with coverage effective January 1, 2017. If you do not select a different plan, you will be automatically re-enrolled in your current plan.

- Your Health Idaho Enrollment – Enroll in a new health plan through Your Health Idaho and continue to receive help paying for your health insurance costs if you qualify.
 - If you qualify for help paying out-of-pocket costs like deductibles or co-pays, you must choose a Silver level plan in order to receive this help.
 - Your Health Idaho will also check if you or your family members qualify for Medicaid or the Children’s Health Insurance Program (CHIP).
 - You may also enroll in coverage through Your Health Idaho using a certified insurance agent or broker.
 - Remember that if you receive a tax credit to help pay for your health insurance, you must report changes in your income and household size during the year to Your Health Idaho. If you do not report changes, you could owe money when you file your income tax return because your tax credit was based on outdated information.

- Enrollment outside Your Health Idaho – Enroll in a new health plan directly with an insurance company during open enrollment, or get help from a local insurance agent or broker. If you qualify for financial assistance for paying your premiums and out-of-pocket costs, you must enroll through Your Health Idaho to receive those benefits.

Important Issues to keep in mind.

Whether you decide to keep your current plan or choose a new plan, call us or visit our website to make sure your doctor or other health care providers will be in the plan network next year. Also check to make sure any prescription medications you or family members take will be covered.
