# ***Summary of Legislative Changes Enacted in 2014 Impacting the Department of Insurance or the Insurance Industry***

## **Department of Insurance Legislation**

The following insurance-related bills were enacted and took effect July 1, 2014, unless otherwise noted.

**House Bill 358** – This legislation amends Title 41, Chapter 54, Idaho Code, dealing with Risk Based Capital (RBC) to align Idaho law with NAIC Model RBC Laws. Specifically, it revises definitions to include fraternal benefit societies and hospital and professional service corporations licensed by the Director of the Department of Insurance as entities subject to the RBC report filing requirement. It broadens the scope of the existing early warning trigger for a life insurance company and newly added health organization to file an RBC plan with the Director when there is a negative trend. The legislation also clarifies the confidential nature and privacy protection of RBC reports and related information filed with the Director by insurance companies and other entities. (Effective January 1, 2015.)

## **Other Insurance-Related Legislation**

**House Bill 475** - This legislation requires that the Idaho Health Insurance Exchange (Your Health Idaho) allow anonymous shopping and not require identifying information until the customer is ready to submit an application for purchase. It also provides that the Exchange application process contain a warning regarding potential repayment of premium reductions to the Internal Revenue Service if income information was underestimated.

**House Bill 512** - This legislation provides that participation in the Idaho Health Insurance Exchange (Your Health Idaho) does not result in a presumption of indigency in regard to the Public Defender System.

**Senate Bill 1244** - This legislation repeals a number of historical sections of the Idaho Code dealing with the State Insurance Fund, including Idaho Code § 41-1618. This allows the State Insurance Fund to operate as an insurance company as was intended in significant 1998 amendments.

**Senate Bill 1252** - This legislation identifies the acceptable securities to be deposited and maintained in a custodial account where an employer may become self-insured with the approval of the Industrial Commission. It also creates a fund and mechanism to handle security deposits made per Idaho Code § 72-301 retained to secure any future workers' compensation claims of a liquidated insurance carrier. This legislation also creates a new section to address an alternate method of demonstrating security for workers' compensation payment for employers that have a cost-reimbursement contract with the federal government.

**Senate Bill 1269** - This legislation provides an option to the Department of Insurance to authorize the Idaho Insurance Guaranty Association to provide claims handling services for "run-off insurers" as defined in the bill.

**Senate Bill 1355** - This legislation recognizes that the Affordable Care Act sets forth quality metrics and permits those metrics to be used for reimbursement purposes but clarifies that measures created by the Affordable Care Act and by insurers cannot be used to establish the standard of care in any community in Idaho. It affirms current law that such standards are established in Idaho, as they always have been, and that a health care practitioner can be held liable to a patient if he or she fails to meet the standard of care in the community in which the care is provided.

**Senate Bill 1348** - In 2003, the legislature passed S1010, which amended Idaho Code § 49-1210 and removed a requirement that the Department of Transportation link proof of financial responsibility records to vehicle registration records rather than to just the driver records. The intention then was to reinstate the requirement in 2009. In the 2009 legislative session, the deadline was extended to June 30, 2014, with a requirement for annual reporting to transportation committees of the legislature on progress. As the system improvements are still not able to do the cross-reference, this bill effects a further extension until June 30, 2017, or until the system is certified as operational, whichever occurs first.

## ***Idaho Immunization Assessment Board***

The 2010 Idaho Legislature adopted Title 41, Chapter 60, Immunization Assessments. The Idaho Immunization Assessment funds vaccines for insured children provided by the Idaho Immunization Program of the Idaho Department of Health and Welfare. The program was extended by the Idaho Legislature in 2013 and is scheduled to sunset on July 1, 2015.

Under this program, the Idaho Department of Health and Welfare is able to purchase vaccines for insured children at significant discounts. In addition, the program facilitates immunization of children by enabling physicians and other health care professionals in Idaho to obtain most or all of their childhood vaccine supply from the Idaho Department of Health and Welfare as a single source.

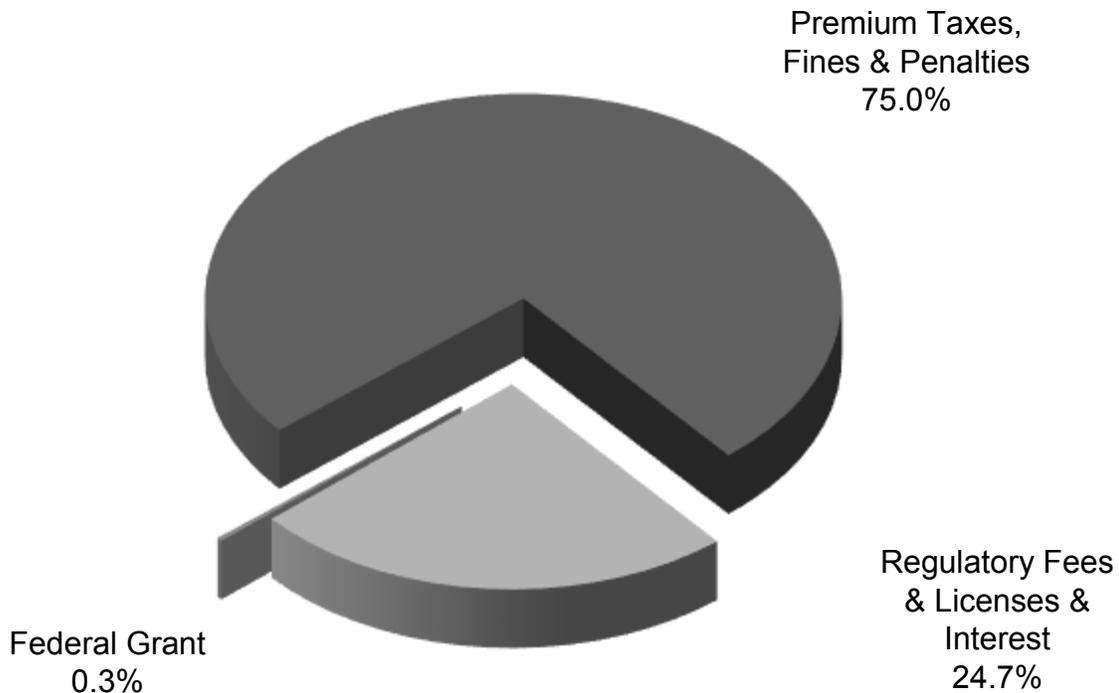

The legislation also created the independent Idaho Immunization Assessment Board to assess mandatory fees from all carriers covering children in the state of Idaho to fund this program. Under the Board's Plan of Operation, carriers report to the Idaho Department of Insurance the numbers of program-eligible children they cover as of January 31 of each year on or before March 15 of that year. The annual assessment fee notice is sent to all carriers no later than April 15 with a due date of June 15. If the billing is greater than \$50,000, the carrier may request a quarterly installment plan.

The 2014 assessment per program-eligible child was \$79.00.

# State Fire Marshal

The staff of the State Fire Marshal's Office works with fire departments across the state, providing assistance with fire code interpretation, application and enforcement. The staff conducts training sessions on the adopted fire code, incident reporting procedures, and fire investigations. The staff is also responsible for reviewing plans for all state-owned or maintained buildings for compliance with fire and life safety codes. If requested by local fire departments, the staff can also assist with local building plan reviews and inspections.

The State Fire Marshal has the statutory responsibility of being the chief arson investigation officer for the state of Idaho. He and his six deputies work with local authorities when requested on the investigation of fires and explosions in Idaho.

The State Fire Marshal's Office licenses the fire sprinkler contractors who work in Idaho, trains and certifies state fire code officials, and licenses persons and businesses that import or wholesale fireworks in Idaho. The office maintains a recordkeeping system including data submitted from fire agencies that cover approximately 95% of the population of Idaho. They are committed to *fighting fire with facts*.

## Mission Statement

*The State Fire Marshal's Office participates in and coordinates an integrated statewide system designed to protect human life from fire and explosions through fire prevention and the investigation of fires. The program involves fire prevention activities, fire/arson investigations and the operation of various statistical systems, including the Idaho Fire Incident Reporting System (IFIRS).*

## Highlights for Year 2014

◆ Total fires reported in Idaho	5,059
◆ Number of residential fires	1,494
◆ Total estimated dollar loss reported	\$44 million
◆ Civilian fatalities reported	9
◆ Firefighter fatalities	0

Idaho Code Section 41-254 requires that the State Fire Marshal make an annual report to the governor and the legislature by the 15th of July each year. The detailed annual report can be found at the State Fire Marshal's website: <http://www.doi.idaho.gov/sfm/IFIRS/Publications.aspx>.

# ***Consumer Services***

The Consumer Services Bureau consists of three sections: Senior Health Insurance Benefits Advisors (SHIBA), Consumer Affairs and Investigations. The sections work together to protect the public's interest and ensure all participants (companies, producers and consumers) are in compliance with the laws and rules that regulate the business of insurance in Idaho.

## ***SHIBA Program (Senior Health Insurance Benefits Advisors)***

The Senior Health Insurance Benefits Advisors (SHIBA) program provides free Medicare benefits counseling; education and complaint assistance to the citizens of Idaho through offices in Boise, Coeur d'Alene, and Pocatello; and a network of volunteers in communities across the state.

SHIBA staff, partners and volunteer counselors educate new and existing Medicare beneficiaries, caregivers and senior and disability service providers on Medicare plan options, benefits, rights and protections, program updates, coordination of benefits, and long-term care issues. Each year, SHIBA individually counsels thousands of Medicare beneficiaries, by phone or in person, in communities across Idaho. Program staff and volunteers also hold presentations and workshops, and distribute information in communities across the state.

Medicare is complicated. Consumers can choose basic Medicare with stand-alone prescription drug coverage and supplemental Medigap coverage, or packaged benefits in the form of Medicare Advantage and Medicare Select plans. The realm of options available means consumers need to understand and consider premiums, benefits, deductibles and coverage for both health care and prescription drugs to identify the best choice for them. Medicare consumers may also need assistance understanding private fee-for-service plans, prescription drug coverage assistance program options, and ongoing changes to the Medicare program. SHIBA helps Medicare beneficiaries and their caregivers decipher all these important health care management issues.

Idaho SHIBA is dedicated to quality assurance. In 2014, for the first time, the program required all counselors to complete a standardized certification process. The certification program ensures all counselors in Idaho possess the expertise needed to provide consistent, reliable Medicare benefits counseling to citizens throughout the state.

## **Consumer Affairs**

The Consumer Affairs Section is a primary contact for members of the public who have questions about insurance matters or who want to file a complaint regarding an insurance matter. The section assists Idaho residents in a number of ways, including:

- Analyzing consumer, company and producer complaints and problems relating to all facets of the insurance industry to determine if a violation of the Idaho Code or contract provisions has occurred;
- Providing assistance to consumers, companies, producers and legal representatives in the form of technical assistance on claims procedures, underwriting, insurance laws and rules;
- Reviewing insurance contracts, policies and related documents to assure compliance with Idaho insurance laws and rules;
- Conducting investigations concerning alleged violations of insurance laws, evaluating the merit of the complaint/inquiry and recommending a course of action to Department staff; and
- Providing technical expertise for the market conduct examination of domestic and foreign insurers.

The Consumer Affairs Section also provides information and services to consumers via the Department website, including:

- Answers to common insurance questions;
- Basic information regarding insurance products;
- Online complaint filing;
- Summaries of complaint data; and
- Updates regarding national health care reform.

Consumers can contact a Consumer Affairs Officer through the toll-free Consumer Assistance Helpline, by mail, fax or the Internet, or by calling or visiting any one of the Department's offices around the state in Boise, Coeur d'Alene and Pocatello as listed on page 1.

## ***Investigations Section***

The mission of the Investigations Section is two-fold: first, to protect Idaho's insurance consumers from dishonest individuals transacting insurance and, second, to investigate allegations of individuals filing fraudulent insurance claims against insurance companies by actively investigating those who commit insurance fraud.

Whatever its form, insurance fraud is a crime that impacts everyone by increasing the cost of insurance premiums and related goods and services. When allowed to go unchecked, insurance fraud has been demonstrated to have a severe negative effect on the economy as a whole.

The Section conducts criminal and administrative investigations within or outside the state of Idaho to determine whether a person has violated any provision of Title 41, Idaho Code. Two special prosecutors from the Office of the Attorney General review and prosecute insurance cases referred by the Section, while three other Deputy Attorneys General pursue administrative enforcement actions against licensees. The Section also works with the State Fire Marshal's Office on insurance-related arson investigations.

The Section aims to be recognized as a leader in the fight against insurance fraud by creating partnerships with other criminal justice and law enforcement entities, educating the insurance industry, conducting community presentations, and distributing written materials. These activities have significantly increased public awareness.

# ***Company Activities***

The Company Activities Bureau consists of four sections: Examinations, Analysis, Premium Tax and Licensing. Although each section has separate functions, all work in close association on some issues.

## ***Examinations & Analysis***

The Examinations and Analysis Sections monitor the financial condition of insurance entities conducting business in the state of Idaho to ensure that each complies with Idaho law and that the financial obligations of the entity to its policyholders will be met. Regulated entities include domestic and foreign stock and mutual insurers, fraternal benefit societies, managed care organizations (MCOs), reciprocal insurers, self-funded health care plans, risk retention and purchasing groups, accredited reinsurers, county mutual insurers, hospital and professional service corporations, surplus lines insurers, title insurers, and rating organizations. The Examinations Section also includes an Examiner Title and Market Insurance Specialist who regulates the title industry in Idaho and an Insurance Analyst Sr. who addresses market issues.

Major functions of the Examinations Section include:

- Examination of the financial and market conduct condition of Idaho domestic insurers to ensure that they are operating in accordance with Idaho insurance laws and rules and the NAIC Accounting Practices and Procedures Manual. Examinations are prescribed by law to be conducted at least once every five years but may be undertaken more frequently if the director deems necessary. Examinations of self-funded health benefit plans and other regulated entities are also performed.
- Regulation of all aspects of title agencies operating in Idaho, including title agent licensing, examinations of title agent operations and title plants, review of three-year escrow audits, handling consumer and industry complaints, enforcing compliance with the Idaho Code and Department rules, reviewing escrow rate filings and reviewing insurer title insurance rates and forms as required.
- Initial licensing for third party administrators (TPAs) who want to operate in Idaho. Determination of whether TPAs continue to meet licensing requirements based on annual filings.
- Receiving and recording corporate changes for insurers and other regulated entities (e.g., name changes, mergers and redomestications).
- Market analysis and other review of insurers operating in Idaho in order to identify areas of non-compliance with the Idaho Insurance Code. This is done by reviewing consumer complaint data, national and state industry trends, conducting baseline analysis (benchmarking insurers against each other), and reviewing market conduct annual statements and other pertinent information, including financial data.
- Leading Idaho's participation in interstate collaborative actions, providing technical expertise and conducting or participating in market conduct examinations of domestic and foreign insurers.

Major functions of the Analysis Section include:

- Financial analysis and review of Idaho domestic company financial reports to determine compliance with all Idaho Code requirements, financial solvency and ability to meet contractual obligations to policyholders. This includes review of annual statements, quarterly statements, audited financial statements and other filings made by an insurer. The focus is primarily on the solvency of Idaho domestic insurers and the monitoring of foreign companies licensed in Idaho.
- Financial analysis and review of financial statements and other filings of Idaho registered self-funded health plans, regulated under Idaho Code Title 41, Chapters 40 and 41, to determine compliance with Idaho Code requirements, financial solvency and ability to meet obligations to beneficiaries.
- Initial licensing or authorization of insurers or other regulated entities to transact business in the state via the granting of a certificate of authority or registration. The admission process is completed in an effective and timely manner to admit financially sound insurers and related entities that will offer quality insurance products or related services to Idaho residents. The section also maintains reinsurance only (accredited reinsurer) and surplus line listings (white list).
- Monitoring and regulation of Idaho holding company systems of which an insurer is a part, in accordance with Idaho Code, Title 41, Chapter 38, to promote public interest and the interests of Idaho policyholders and shareholders.

## ***Premium Tax***

Premium taxes are collected by the Department of Insurance and deposited in the Insurance Administrative Fund #0229-10 to be distributed as follows:

- That amount as needed up to 20% for the refund account;
- A portion to the PERSI Firemen's Retirement Account (Idaho Code Section 59-1394);
- That amount (not to exceed \$200,000 in any one year) necessary to cover administrative costs incurred by the department in placing insurance companies into receivership or supervision to the extent that such costs cannot be satisfied from the assets of the companies;
- Twenty-five percent of the premium tax exceeding \$45,000,000 to the Idaho High Risk Individual Reinsurance Pool;
- Twenty-five percent of the premium tax exceeding \$55,000,000 to the Idaho Health Insurance Access Card Fund CHIP Plan B;
- Remaining balance to the General Fund (Idaho Code Section 41-406).

Premium taxes collected from authorized insurers are in lieu of all other state and local taxes payable in the state of Idaho with the exception of real property tax (Idaho Code Section 41-405).

The annual premium tax liability is based on calendar year premiums written minus dental premiums, which are taxed at .04 per subscriber per month, effective July 1, 2007. Premium taxes are prepaid in quarterly installments based on the prior year's premiums and the current year's tax rates. The installments are as follows: 60% due June 15, 20% due September 15, and 15% due December 15. The reconciliation payment is made on March 1 of the next year (Idaho Code Section 41-402(3)).

Premium tax offsets are allowed to the extent of 100% of the premium tax liability, unless otherwise indicated:

- **Workers' Compensation Offset** – All workers' compensation insurers must pay a 2.00% premium tax on Idaho premiums written to the Idaho Industrial Commission. Insurers are allowed to offset 50% of this tax against the workers' compensation tax liability with the Department of Insurance. The premium taxes paid to the Industrial Commission at the 2.00% rate should not be confused with the additional Department of Insurance 1.50% premium tax rate. The tax credit can only offset the workers' compensation premium tax liability and cannot be allowed against any other lines of insurance (Idaho Code Section 72-523, effective January 1, 2012).
- **Insurance Guaranty Association Offset** – Property and casualty insurers may offset their premium tax liability to the extent of 20% of the assessment for each of the five years following the year the assessment is paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid. (Idaho Code Section 41-3616).
- **Idaho Life & Health Guaranty Association Offset** – A premium tax offset is allowed for all Class B and Class C assessments. Insurers may take any portion of the assessment as an offset in any of the five years following the year the assessment is paid. Offsets are limited to 20% of each assessment paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid (Idaho Code Section 41-4314(1)).

## ***Producer Licensing***

The Producer Licensing Section reviews and processes license applications and issues and maintains over 97,000 licenses, including resident and non-resident business entities and individuals. The Section oversees 13 license types and their related procedures, statutes and rules.

Producer Licensing continues to seek out new administrative efficiencies by utilizing online services through approved vendors. Online vendor services include license applications and renewals, appointments, address changes, license copies, continuing education courses and credit downloads, and more. Applicants and licensees utilize online services for 90-95% of all licensing transactions. This factor allows the turnaround time for non-resident licensing to remain 1-2 days, even with increased numbers of applications. The FBI fingerprinting process has become completely digitized, providing greater security and improved turnaround time on license issuance for residents.

Producer website information is regularly updated to provide the most current information and services, reducing call volumes to the Licensing Section. The Section maintains a paperless, efficient, and secure licensing environment by utilizing document imaging and email correspondence.

Section goals remain efficiency, security, and service.

## ***Continuing Education***

The Continuing Education (CE) Rule IDAPA 18.01.53, requires resident insurance licensees to complete 24 credit hours of continuing education within each two-year licensing period, which expires at the end of the individual's birth month. At least three of the 24 hours must be obtained in insurance ethics courses. Other mandated training has been adopted by the Department for annuity suitability, flood, and long term care policy sales. Non-resident and limited lines producers are exempt.

Appointed members of the CE Advisory Committee meet monthly to review provider course applications ensuring quality courses are available to Idaho producers. CE rules are in place to maintain high standards for courses and are regularly reviewed and improved. Presentation methods are available to licensees in a variety of formats including correspondence, internet, seminar, teleconference, traditional classroom, and webcast/webinar.

# ***Product Review***

The Product Review Bureau consists of one section: Rates and Forms.

## ***Rates and Forms***

The Rates and Forms Section accepts property, casualty, health and life policy contracts and related forms with the company certification ensuring they comply with the Idaho Code and are not ambiguous, misleading, or deceptive. The Section accepts advertising filings for life and health and reviews rate filings for various lines of insurance, including individual and small group health rate manuals, Medicare supplement, long-term care, private passenger automobile, homeowners, and credit. The objective is to ensure that rates are not inadequate, excessive, or unfairly discriminatory.

This Section is primarily responsible for administering rate and form laws on a file-and-use basis. Idaho Code Section 41-1812 states: "No basic insurance policy or annuity contract form, or application form where written application is required and is to be made a part of the policy or contract, or printed rider or endorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with the director." Although all major lines of insurance are monitored, the Section is alert to filings involving private passenger automobile rate changes, bail bonds, certificates of assumption, company mergers, credit life and disability, life settlement, consumer credit reporting, health products, long-term care, managed care organizations, Medicare supplements, title, and workers' compensation. Unless the forms are submitted and filed with the Rates and Forms Section, they may not be issued to residents of Idaho.

The Section meets the federal effective rate review standards for the individual and small group health insurance markets, retaining state-level regulatory authority. The Section supports the Idaho Health Insurance Exchange in fulfilling the plan management requirements by reviewing health plans against Idaho's Qualified Health Plan (QHP) standards and recommending for certification by the Exchange plans that meet the standards.

The Department receives policy and rate filings from 1,406 companies licensed or registered to sell products in Idaho. The Department received 6,128 separate filings in 2014 via SERFF (System for Electronic Rate and Form Filing), resulting in the following total number of forms and rates for all filings submitted in 2014.
