NOTICE TO ALL CARRIERS LICENSED WHO WRITE INSURANCE IN IDAHO

RE: FILING OF ANNUAL FORMS LIST

The Department has discontinued the requirement for carriers to submit the list of forms filed or list of marketed forms in Idaho for property/casualty and life/annuity.

We have made a change to our procedures and will only require the list of marketed forms for DISABILITY carriers, on a 3 year timeframe. Therefore, until 2018, no forms list will be required.

There is no longer any requirement for companies that only have life, annuities or property casualty on their certificate of authority to submit any forms list.

The list will continue to be due by February 15.
