**NOTICE TO ALL DISABILITY INSURANCE CARRIERS IN IDAHO
RE: LIST OF CURRENTLY MARKETED FORMS IN IDAHO**

The Department is discontinuing the requirement to submit a list of forms filed in the previous year.

To better identify which policies are currently being marketed by carriers in Idaho, who have the line of disability on their certificate of authority, the Director is requiring that all disability carriers submit a complete listing of form numbers, along with the date accepted by the Department, and any updates to those filed forms, that the carrier is currently marketing in Idaho. We are requesting the most current form number of the products the company is marketing in Idaho. The list must be submitted to the Department by January 15 of each year.

Please review Idaho Code 41-503 for the definition of "Disability" and Idaho Code 41-1802 for the definition of "Policy."

This notice does not apply to life or annuities.

Please include on the list whether the form was filed by paper or via the SERFF system.

If the company is not marketing in Idaho, they still need to send a response to the Department.

If you have any questions regarding this requirement, please call 208-334-4362 or submit an email to donna.daniel.
