

Idaho Fraud Awareness Week

August 18-22, 2008

The Idaho Department of Insurance is spearheading Fraud Awareness Week. Our threefold objective is to:

- Promote anti-fraud education
- Raise awareness about the impact of fraud and white-collar crime on society

- Encourage Idahoans to report fraud to the appropriate authorities

Planned activities:

- Early in August **Governor Otter** will sign a proclamation declaring Fraud Awareness Week.
- Throughout the week free **town hall meetings** will be held throughout the state on the subjects of **Fraud Awareness for Seniors** and **Investment Fraud**. We encourage you to attend these important and informative meetings.
- We will have a booth at the **Western Idaho Fair**. Please come and see us there!

We have partnered with insurance companies, businesses, trade associations and other agencies to bring this event to you.
