

FEE CHANGES FOR BAIL LICENSE RENEWAL FINGERPRINTS!!!!

**As of July 1, 2013, Idaho State Police new fingerprinting rate changes will go into effect. We've created informative Bail License Renewal Packets ([Residents](#) and [Non-residents](#)) to assist you with the renewal process.**

**RESIDENTS:**

Candidates in the Boise area can go to the Meridian ISP office for fingerprinting. They will pay a \$10.00 fee to fingerprint and \$25.00 for the background check for a total of \$35.00.

Candidates outside the Meridian area may go to their local state police office for fingerprinting. They will pay the fingerprint fee for that location and send the prints with the ISP form and a check or money order for \$25.00 to the ISP for processing a WIN background check.

Be sure to click on the RESIDENTS link above to download the necessary paperwork required for fingerprinting.

**NOTICE!** WIN background checks for resident bail renewals are currently taking between 6 and 8 weeks due to influx of fingerprint background check requests for various purposes. If you wish to circumvent this kind of delay and have access to a Pearson VUE test center, you are welcome to make reservations and do a digital print through the test center. Cost is \$65 but the return time on these reports is closer to 2 weeks. If you choose to go this route, you will not need to have prints processed through ISP as well.

**NON-RESIDENTS:**

Non-resident Bail renewals will continue to pay for the standard FBI background check at the current rate of \$65. Non-resident bail agents renewing Idaho licenses must request the FD-258 card for local processing and send the card with \$65, along with a signed release and request form.

Be sure to click on the NON-RESIDENTS link above to download the necessary paperwork required for fingerprinting.
