

FINGERPRINT REQUIREMENTS

Every candidate testing for a new resident license must be fingerprinted. If a candidate for an examination is already licensed in Idaho and is adding a new line of authority, they DO NOT need to be fingerprinted. These candidates are strongly encouraged to bring their current license to the test center for verification by the test center proctors. NOTE: the current license is not a requirement.

You MUST be fingerprinted at one of PSI test centers. You may get fingerprinted on the day of your examination or walk-in during the regular testing hours. YOU CANNOT MAKE AN APPOINTMENT TO GET YOUR FINGERPRINTS DONE. THEY ARE DONE ON A FIRST COME, FIRST SERVE BASIS. The \$70 processing fee may be made payable by money order, cashier's check, company check, VISA or MasterCard (checks made payable to PSI). This payment includes the State processing fee of \$45.00, and the PSI processing fee of \$25.00.

Note: Fingerprints are taken digitally only at all the PSI test centers. Digital fingerprints will be transmitted electronically to law enforcement. These fingerprints are accurate, high quality, and in accordance with FBI and IAFIS requirements for live-scan imaging with a low rejection rate.

FINGERPRINTING FOR OUT-OF-STATE CANDIDATES

Candidates who reside 100 miles or more from a PSI center in Idaho or who live outside of the state of Idaho and who are required to be fingerprinted in order to be issued a resident license in the state of Idaho MUST utilize the following process. (NOTE: if you reside within the state of Idaho and less than 100 miles from a PSI site, you MUST be fingerprinted at one of the PSI Test Centers):

1. Fingerprints must be taken by a qualified law enforcement agency (police or sheriff's office) or other entity that provides fingerprinting services. These fingerprint cards may be either the traditional ink rolled fingerprints or electronically captured and printed fingerprint cards. You may want to call ahead to determine the hours of operation as well as if there are any fees associated with this service.
2. Fingerprints MUST be submitted on FBI applicant cards (FD-258). Most law enforcement agencies will provide this card as a part of the service. If the law enforcement agency is unable to provide the FBI applicant card, you may obtain one by contacting the Idaho Department of Insurance at agent@doi.idaho.gov.
3. Ensure that all required fields on the top portion of the card are completed in black ink (NOTE: missing or incomplete information will cause a delay in completion of the background screening). The specific fields that MUST be completed in their entirety are:

NONCRIMINAL JUSTICE APPLICANT PRIVACY STATEMENT

As an applicant who is the subject of a national fingerprint-based criminal history record check for a non-criminal justice purpose you have certain rights which are discussed below.

This serves as notification from **(Enter Agency Name Here)** that your fingerprints will be used to check the criminal history records of the State of Idaho and the FBI and that those records will be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency or other authorized entity. The collection of applicant fingerprints in Idaho is authorized by Idaho Code §67-3008.

- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- Procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record, or decline to do so, before being denied the job, license, or other benefit based on information in the criminal history record.
- Disclosure of your Social Security number is voluntary and is solicited pursuant to the Federal Privacy Act and Idaho Code §67-3012 to aid the processing of an interstate background check request for noncriminal justice purposes allowed by federal statute, federal executive order or a state statute that has been approved by the attorney general.

The fingerprints and information reported from this request may be disclosed pursuant to your consent, and may also be disclosed by the FBI without your consent as permitted by the Federal Privacy Act of 1974 (5 USC 552a(h)). Routine uses include, but are not limited to, disclosures to appropriate governmental authorities responsible for civil or criminal law enforcement, counterintelligence, national security or public safety matters to which the information may be relevant; to State and local governmental agencies and nongovernmental entities or application processing as authorized by Federal and State legislation, executive order, or regulation, including employment, security, licensing, and adoption checks. Depending on the nature of your application, other authorities may include numerous Federal or State statutes pursuant to Public Law 92-544 or other authorized authorities.

According to Idaho state law and if agency policy permits, you may be provided a copy of your FBI criminal history record for review and possible challenge upon submission of a written request. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same website address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30-16.34)

If a change, correction or update needs to be made to an Idaho criminal history record, that process information is available on the Idaho State Police website.
